## *Bountiful Breakfast Buffet*

Start the first day of your new life with a gathering of your family and friends at a post wedding breakfast or brunch. The wedding breakfast is most often hosted by the groom's parents, in honor of all those who have come from out-of-town for the occasion. This breakfast is a wonderful way to say thank you, and give your family and friends a warm send off. Relax and enjoy a piping hot breakfast buffet along with the tastiest breakfast pastries, breads and muffins.
